

Dirty Money, Dirty Money.
The need is great. Demand abounds.
Expropriated from Countries closed.
China, Russia and the rest.
Dirty Money, Dirty Money.

Proceeds of crime, drugs, robbery, organized crime.
Cash economy goes on and on.
All needs to be washed.
All needs to be laundered.
Dirty Money, Dirty Money

Money flows thru G20 coffers.
Thru US, Canada, Australia.
All permitting, all welcoming.
Lax Cash Economy laws
Dirty Money, Dirty Money

Rogue states permit and welcome.
Iran, Korea, Syria.
Lax Cash Economy laws.
Funding Rogue Activities
Dirty Money, Dirty Money.

Dirty Money, Dirty Money.
Driving growth and wealth.
US, Canada, Australia.
Lax Cash Economy laws.
Dirty Money, Dirty Money

Neither option is the best.
Rogue states or G20 states.
Driving rogue activities.
Driving growth and wealth.
Dirty Money, Dirty Money.

Equilibrium is second best.
Dirty Money driving growth and wealth.
In countries G20 rather than Rogue States.
Second best is what we get.
Dirty Money, Dirty Money.

Dirty Money, Dirty Money.
No way to stop.
Demand and need is too great.
We are stuck with second best.
Dirty Money, Dirty Money.
